Fund description

The only fund that could not exist on another venue: the exchange token plus its most liquid ecosystem token. HFUN is listed but excluded at ~$10k/day.

This document is a simulated fund factsheet produced for research and demonstration purposes. The HLX funds are not registered collective investment schemes, are not offered or sold to the public, and have no custodian, transfer agent or prospectus filed with any regulator. Performance shown is a backtest of the stated target weights applied to historical Hyperliquid market prices and does not represent the return of any actual portfolio; past performance does not predict future results. Data as of 2 November 2026.
